

To Save Or Spend?

Exit Card

Think about your experience with making decisions about saving and/or spending money on your needs and wants.

A) What did you find most challenging about the decision-making process in the task you were given?

B) Has this experience changed the way you think about how you spend and save your money?

Yes

No

Why or why not?

C) How will the decision-making process support you in making future decisions about saving and/or spending money?
