

To Save Or Spend?

Decision-Making Graphic Organizer

Use this decision-making model to work through TWO ways you would save or spend the money you won in the poster design contest. Think about your needs versus your wants, the pros and cons of your decision, whether it is a short-term or long-term goal and any future consequence your decision may have on your life.

Will you save or spend?
How much?
How will you save?
On what will you spend ?
