

Inquiry-Based Learning Recording Tool

FORMULATE QUESTIONS

Record your inquiry question in this space:

My inquiry question is...

GATHER & ORGANIZE

Identify and record available sources which you might access to gather your information and answer your question. Identify when you will gather your information and how you will organize it to clarify ideas that will inform personal strategies or choices.

Sources of information I can access:

How I will gather my information:

How I will organize my information:

INTERPRET & ANALYSE

Review your evidence and record ideas that relate to your question. Review your information to make sure it contains a balanced perspective. Identify if you have enough information to make an informed decision or if you need to gather additional information:

- **Is the information from a reliable source?**
- **Does my information provide me with various points of view about my question?**
- **Which viewpoints or evidence might be missing?**
- **Do I have all the evidence I need?**
