

Student Resource: Role Play Cards

Student Resource: Role Play Card 1 – “What a Respectful Discussion Looks and Sounds Like”

Some of our friends and family choose to get vaccinated and some do not. How can we show respect for those who feel differently about vaccinations than we do? Demonstrate how a respectful discussion would look and sound like when two people are talking about being vaccinated and feel differently about getting one.

Student Resource: Role Play Card 2 – “Germs and How to Prevent Them from Spreading”

Create a tableau that illustrates one of these safe practices to avoid the spread of infections:

- What germs are
 - How they spread
 - Ways to prevent germs from spreading

Student Resource: Role Play Card 3 – “Safe Practices to Prevent the Spread of Infections”

Create a tableau that illustrates one of these safe practices to avoid the spread of infections:

- Washing your hands before and after using the bathroom.
 - Using hand sanitizer when you can't wash your hands.
 - Only drinking from your own water bottle and not letting others drink from it.
 - Sneezing into your elbow to avoid spreading germs.
 - Staying home or playing alone when you are sick (e.g., at school, at home) to avoid spreading germs.
 - Getting vaccinated to help your body fight off a virus in the future.
