

Need It Want It

Wants Thought Organizer

- Sort through your groups sticky note examples and classify them as a 'need' or 'want' by placing them in the examples section of the Thought Organizer you think it belongs to.
- In the Rationale section, provide reasons why you think these sticky notes belong in this Thought Organizer
- As a group, create a final definition of what you think a 'want' is and write it in the Definition section.
- Be prepared to share your response with the rest of the group.
