## Meal Reflection Sheet

## Wallet Wellness

## Name:

Choose a meal from one of the class menus. Draw the coins/bills you would use to pay for this meal.

I would choose this meal:	
I chose this meal because:	
Total cost:	
Draw the money required to pay for the meal:	

## **Reflection Questions**

When would it be better to order a meal deal?	
When would it be better to order individual items?	
What are some things someone might consider the next time they order from a restaurant?
