## Graphic Organizer

---

Students can use the following organizer when consolidating their daily learning when Gathering and Organizing information. Students record responses on the arrow parts of the graphic.

The graphic organizer consists of three rows. Each row has a green rectangular box on the left containing text, and a light green arrow pointing to the right on the right. The text in the boxes is as follows:

- Row 1: **Something I learned**
- Row 2: **Something I still need to find out**
- Row 3: **New questions I have**
