

Teacher Resource: Communication during Canoeing Activities in Open Water - Checklist

Criteria:

- I can apply my knowledge of basic water flow dynamics.
- I can use communication procedures for whitewater safety.

Basic Water Flow Dynamics

Student Name:	James
I can demonstrate an understanding of laminar flow.	Yes
I can demonstrate an understanding of helical flow.	Yes

Communication Procedures for Whitewater Safety

Student Name:	James
Hand Signal - OK	Complete
Hand Signal - Go	Complete

Student Name:	James
Hand Signal - Stop	Incomplete
Hand Signal - Direction to Go In	Complete
Whistle - Look!	Complete
Whistle - Emergency	Complete
Whistle - Emergency Answer	Incomplete
Paddle Signal - Stop	Incomplete
Paddle Signal - Go	Complete
Paddle Signal - Direction to Go In	Complete
